

London Practical Shooting Club

Phoenix Shooting Club PSG Affiliation

March 2011

Instructions from Phoenix Shooting Club

Start time will be 10am please arrive between 9.30 and 10 to give time to sort out squadding and any paperwork.

There will be a variety of stages to include a set of standard exercises that we will use for every shoot. In this way you will be able to judge your improvement throughout the year. Ammo count will be between 75 to 100 rounds. Ammo will be available for those that need it, if you are bringing your own bird shot and fibre wad only. Hot food and drinks will be available onsite.

Directions from Reigate

Take A24 signposted Horsham (Not A29), to Kingsfold. Turn right at the Oak pub. Turn left onto A29/ A281. After second round about on A281 signs for Furness Lakes will be on right hand side after approx half mile.

Once you have left the A281 go over the speed bumps do not go through the gate immediately in front of you but take the right hand turn and then go through the gate. Follow the track to the end, this is a long track but is well maintained and is no problem for normal vehicles. The car park is located on the right of the track at the end. Please park sensibly giving thought for others.

If you are coming from another direction way please follow the instructions on the Airsoft site www.sussexairsoft.co.uk **In any event we strongly advise that you print out the directions from this website and take them with you.**
